

Electrolyte Capsules & Dispensers

5 Capsule Sample of SaltStick™ Caps: The Most Comprehensive Electrolyte Supplement

- The only electrolyte capsule that was formulated to closely resemble the salt profile lost during activity;
- Vegetable-based capsule composition; Bio-available active ingredients. Made in USA;
- Contains only WHAT YOU NEED. No: herbal, trace, questionable components added;
- Only 1 capsule per serving. Suggested use: 1-2 capsules per hour during activity. Take with water;
- Unique formulation is patent pending; Engineered by a Ph.D. chemist who is also a pro triathlete;
- Saltstick™ Caps uniquely includes vitamin D that helps the body absorb and utilize calcium.
