## BONT CYCLING

The Helix road shoe features a proprietary cable integration closure system that adjusts with a BOA dial and goes into the upper, all around the shoe, through the carbon chassis and back through the other side of the upper. The single BOA dial simplifies function for quick and easy on-the-fly adjustments, while the continuous wiring spreads the load for a secure hold without pressure points. The shoe also features a unidirectional carbon sole, a TPU ventilated toe protector, and Durolite upper and tongue. Bont is distributed in the U.S. by Mc2 Sports Specialists and ORP.

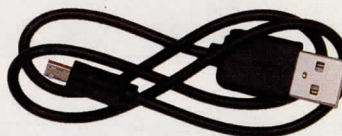

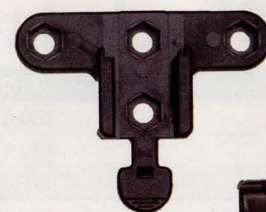

## WHEELS MANUFACTURING

The BB-TOOL-48-44 is a double-sided socket tool for installing and removing both 48.5-millimeter and 44-millimeter 16-notch bottom bracket cups. Compatible with all Wheels Manufacturing bottom brackets, the socket is machined for half-inch drive, but a  $\frac{3}{8}$ -inch to half-inch adapter is included for use with  $\frac{3}{8}$ -inch drive torque wrenches. The 48.5-millimeter pattern matches up with Wheels Manufacturing bottom brackets and some FSA MegaEVO bottom brackets, while the 44-millimeter side matches Wheels Manufacturing bottom brackets and outboard-bearing bottom brackets from Shimano, FSA MegaEXO and SRAM/Truvativ.

**Suggested retail: \$49**

## PLANET BIKE

Planet Bike has released a rechargeable version of the Grateful Red tail light. The new version is powered by a 700 mAh lithium polymer rechargeable battery and delivers run times of up to 30 hours. For added safety, Planet Bike has integrated a CPSC-certified reflector in the lens. It's tested to the Consumer Product Safety Commission's 16 CFR 1500.104, and provides unrestricted movement during training or racing.

## SALTSTICK

SaltStick has introduced reusable and resealable packaging for its chewable electrolyte product, FastChews. They are the only chewable tablets formulated to closely resemble the electrolyte profile lost in sweat: sodium, potassium, calcium and magnesium. The ingredients are non-GMO, gluten-free, vegetarian and fat-free, with natural stevia used as a sweetener. Flavors: Tart Orange and Zesty Lemon-Lime.

**Suggested retail:**  
**\$3 (10-count zipper packet),**  
**\$15 (60-count bottle)**
